Equal Employment Statement

The Old North State Council, Boy Scouts of America is committed to equal employment opportunity and compliance with all applicable federal, state, and local laws that prohibit workplace discrimination and unlawful retaliation, such as those that prohibit discrimination on the basis of race, color, national origin, religion, age, sex (including pregnancy, childbirth, breastfeeding, or related medical condition), gender, sexual orientation, gender identity, marital or familial status, genetic information, citizenship status, protected activity (such as opposition to or reporting of prohibited discrimination or harassment), or any other status or classification protected by applicable federal, state, and/or local laws. This policy of equal employment opportunity applies to all aspects of the employment relationship, including without limitation advertising, recruiting, hiring, training, evaluation, promotion, transfer, work assignments, compensation, benefits, disciplinary action, termination, or any other term, condition, or privilege of employment.

Declaration of Religious Principle

The BSA maintains that no member can grow into the best kind of citizen without recognizing an obligation to God. In the first part of the Scout Oath or Promise the member declares, "On my honor I will do my best to do my duty to God and my country and to obey the Scout Law." The recognition of God is necessary to the best type of citizenship and is a wholesome precept in the education of the growing members. No matter what the religious faith of the members may be, this fundamental need for good citizenship should be kept before them. The Boy Scouts of America therefore recognizes the religious element in the training of its members, but it is absolutely nonsectarian in its attitude toward that religious training. Its policy is that the home and the organization or group with which the member is connected shall give definite attention to religious life. Only persons willing to subscribe to these declarations of religious principles and the Scout Oath and Law shall be entitled to certificates of leadership in carrying out the Scouting program – *Rules and Regulations of the Boy Scouts of America*, article VII, section 4, clause 2(c).
