

Unit Swim Test Classification Record

This is the individual's swim classification as of this date. Any changes in status after this date, i.e., non-swimmer to beginner or beginner to swimmer, would require a reclassification test by the Camp Aquatics Director.

Although swim tests may be conducted prior to summer camp, the Aquatics Director is expected to review or retest any Scout or Scouter whose skills appear to be inconsistent with his or her classification. Additionally, the Aquatics Program Director is authorized to retest any Scout or group of Scouts when he or she is reasonably concerned that precamp swim tests were not properly administered.
